

Clutton Church of England Primary School

ATTENDANCE POLICY

Attendance

The attendance target at Clutton Church of England Primary School is 100%. The expectation of the school is that all pupils attend 100% unless there is a genuine reason for the absence approved by the Principal.

The school firmly believes that regular school attendance is highly important and benefits all pupils. The school will do all that it can to encourage parents/carers to ensure that those children in their care achieve the best possible attendance and any issues impacting a child's attendance can be identified and acted on promptly.

Expectations

Attendance %	Level of concern	Action by the School
96% and above	None – on track attendance	None
90% to 96%	Concern as below school target	Letter sent to parents
Below 90%	Persistence Absence	Referral to Principal and/or medical evidence required for all absences attendance process

We expect that all pupils will:

- attend school regularly;
- attend school punctually;
- attend school appropriately prepared for the day; and
- discuss promptly with their form tutor/class teacher any problems that discourage them from attending school.

We expect that all parents/carers/persons who have day-to-day responsibility for the children and young people will:

- encourage regular school attendance and be aware of their legal responsibilities;
- ensure that any child in their care arrives at school punctually, prepared for the school day;
- ensure that they contact the school whenever the child is unable to attend school;
- contact the school each day their child is absent by using the school telephone number or email address by 8am, providing the information below:

Please ensure that you phone or email the school admin@clutton.cheshire.sch.uk as soon as you can, preferably before **8.00am** to inform us of your child's absence stating clearly the following information:

- Child's first name and surname
- the date that they will be absent from school
- the reason
- please remember to sign off with your own name and surname too as well as your relationship to the child. e.g. Lily Brown, 05.10.17, tonsillitis – seen GP and has antibiotics. John Brown (dad)
- contact the school promptly whenever any problem occurs that may keep the child away from school.

Holidays

It is school's policy not to authorise holiday in term time. However, in exceptional circumstances the Principal may consider a request but the normality will be that any request for holidays during term time will be refused.

Medical leave

If your child requires an operation or recuperation after an operation during term time please contact the school office for further details.

This form needs to be completed and returned to school at least two weeks prior to the date of the first requested leave day. A member of staff will make contact with parents to discuss any additional support that maybe required to ensure a quick and safe return for children after an operation or recuperation period.

Responding to Non-Attendance

When a pupil does not attend school we will respond in the following manner:

- On the first day of absence, if no telephone call is received from the parent/carer by 9.15am the school will endeavour to contact them that day.
- If there is no response, the school will continue to try to contact the parent/carer. If by the end of the second day, there has still been no contact the school will complete a home visit.
- Failure to comply with the expectations set by the school, may result in further action, an application for a Fixed Penalty, Education Supervision Order, or court prosecution.
- While it is understood that a child may have specific medical needs, school reserves the right to seek evidence to support such absences. **The school will always ask for medical evidence where a child's attendance falls below 90%, this evidence could include hospital admission or discharge reports or GP notes printouts following an appointment.** It is appreciated that there can be difficulties obtaining appointments but we do request that you endeavour to arrange these for out-of-school hours.

Changing schools

It is important that if families decide to send a child in their care to a different school they inform the school office. A pupil will not be removed from this school roll until all are satisfied that the child is accepted on to the roll of an alternative, appropriate school.

School Organisation

In order for the school's Attendance Policy to be successful every member of staff must make attendance a high priority and convey this to the pupils at all times. Parents/carers need to support these views in the home to ensure that children are receiving corresponding messages about the value of education.

Principal, governors and designated member of school staff with overall responsibility for attendance to:

- adopt the whole policy;
- ensure that the registration procedures are carried out efficiently and that appropriate resources are provided;
- initiate a scheme for contacting parents on the first day of absence;
- ensure that key staff have time-tabled periods for liaison and follow-up work and appropriate access to attendance data;
- consult and liaise with the Education Welfare Service (EWS) and take responsibility for ensuring appropriate pupils are identified without delay;
- work in close collaboration with the EWS reviewing register analysis during register inspections.

- institute an attendance award scheme with assemblies, certificates and rewards; and
- monitor and evaluate attendance concerns with the Education Welfare Service.

Class teachers/form tutors to:

- complete registers accurately and punctually at least twice daily;
- follow up any unexplained non-attendance; inform the school office of all reasons for absences so they can be recorded in the School Information Management System (SIMS);
- inform the designated person in charge of overall attendance of concerns; be alert to early signs of disaffection which could culminate in non-attendance and report these concerns as soon as possible to the Principal.

Penalty Notices

The Education Welfare Service, acting on behalf of Cheshire West and Chester Council will issue a Penalty Notice as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school and requires the recipient to pay a fixed amount. The amount payable on issue of a Penalty Notice is £60 for each parent if paid within 21 days of receipt of the notice, rising to £120 if paid after 21 days but within 28 days. If the Penalty Notice is not paid within 28 days, the Local Authority must prosecute the parent/carer for failing to ensure regular school attendance under Section 444 Education Act 1996.

Circumstances when a Penalty Notices may be issued

- Pupils identified by police and education welfare officers engaged on Truancy Patrols and who-have incurred
- Unauthorised absences or have been excluded from school.
- The Education (Pupil Registration) (England)(Amendment) Regulations 2013, which became law on 1st September 2013 states that Principals/Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. The Principal is required to determine the number of school days a child can be away from school if leave is granted.
- Where a child is taken out of school for 5 days or more and the 'unauthorised leave of absence' is without the authority of the Principal, **each parent** is liable to receive a penalty notice for **each child** who is absent. In these circumstances, a warning will not be given where it can be shown that parents had previously been warned that such absences would not be authorised and that they will be liable to receive a Penalty Notice if the leave of absence is taken.
